

CHATEAU SOUSSANS 2017

In the winegrower's memory, this is a vintage that will stay to fix the memory.

The geographic situation of Chateau Soussans vine lies on a gravel hilltop overlooking and running alongside the Garonne river. She regulates the temperature, an old proverb that says "all the top terroirs face the Garonne estuary".

Flowering and veraison were uniform and fast.

We harvested the first Merlot on 21 September followed Cabernet sauvignon on 2 October.

The wines are delicate with a fine complex aroma. They are very pleasant on youth, fresh and a great aromatics intensity.

The blend of chateau Soussans 2017 in 55% MERLOT AND 45% CABERNET SAUVIGNON

Bottling date 26/04/2019
